Introduction

Appendix 1 Structure

This section of the service manual (Appendix) describes the Radio Shack NHA–2RA handportable telephone for use on the Advanced Mobile Phone System (AMPS). The appendix contains only information specific to the Radio Shack NHA–2RA variant.

The appendix comprises three chapters as follows: Chapter 1, Foreword (this chapter); Chapter 2, Transceiver NHA–2RA, containing an exploded view of the NHA–2RA variant (including a list of assembly parts); and Chapter 3, Quick Guide, which aims to provide all user information that service personnel are likely to require during servicing and repair of equipment.

NOTE: The Service Manual is intended for use by qualified service personnel only.
